1986 Sumerset 14 x 60 w/side walks

Anyone looking for that right houseboat that is Aluminum hull, Flybridge, CH/A, W/D, That sleeps six, and completely remodeled for under 80 K? Its Hard to find right? We have just listed the answer!

This 1986 Sumerset has undergone a complete remodel by a professional cabinetmaker using real walnut hardwoods for new cabinets to compliment the medium oak interior walls. All counter tops have new Formica. The galley, hallway, and bath have new tile.

The window treatments are wood collars with new blinds and cornice boards. The new entertainment center boast a 32" LG flat panel TV.

The full electric galley features a full size refrig. w/icemaker, full size range, microwave, and trash compactor. The normal dinette has been replaced by a custom built 4-place bar with storage. The center hall floor plan has a bunkroom with a full bottom bunk and twin upper. The master stateroom has also undergone the remodel with new nightstands w/granite tops on each side of the queen size bed. The new custom closet area features drawer stacks as well as a closet to accommodate a 27" stack washer and dryer.

The exterior of this beautiful Sumerset has also had the love and care of the interior.

Featuring Twin 130hp Mercrusier and cable shift. The 12 KW Kohler gen-set will provide more than enough power. A Full Flybridge, new roof-gelcote, and front enclosure are also included in the list. The drives were serviced in 2008.

This is truly a find, not many out there with these options and loving care all included into one boat. Call for private showing and full specs
