

Middle Tennessee

1988 Sumerset 17x71 w/side walks

This beautiful updated Sumerset was Sumersets showboat in 1988. Powered by twin Volvo v8's with duo-props (serviced in 2010). 12.5 Westerbeke and dual station hydraulic stern thrusters. Full control Flybridge/w bimini top, and a 18ft canvas party top installed in 2005, gang plank, and front enclosure. Electronics include: vhf radio, depth finder, digital engine sync, and fume detector.

The interior is beautifully décor'd with medium oak bead board complimented with hues of cream and sage green fabrics. The large salon area has a large sectional sofa and Bose surround sound system. The fully loaded elect galley has upgraded black appliances with side by side refrig w/water and ice, solid surface range, microwave, D/W, compactor, additional icemaker, and a New stack W/D. The unique floor plan features a full bunk guest stateroom and a queen master and w 1/2 baths. Heating and Cooling provided by a 2ton CH/A unit w/ new digital control.

This is a MUST SEE custom Sumerset. Located on Center Hill Lake in Middle TN.
