

## 1990 Stardust 16 x 64 w sidewalks \$ 119,900

Clean, Clean, Clean!! Is only way to describe this 3-owner custom Stardust. Professionally maintained, new exterior paint, New Mesh canvas PKG., and New exterior carpet. This Stardust is ready for the summer. The interior features pickled oak bead board paneling with white cabinets. The salon area has a sleeper sofa and recliner. The full electric galley includes: 22.5 cf refrig w/ice, 30" range, microwave, dishwasher, and compactor. Other amenities for comfort are CHA, washer and dryer. This 64' beauty boast 2 private queen bedrooms and 1 large full bath with access from the hallway or master stateroom.

The exterior not only features the new upgrades listed but also a full working Flybridge w/12ft canvas party-top covering the bridge area. A unique feature to this Stardust is the addition of a forward seating area to the Flybridge that was custom crafted by the 2<sup>nd</sup> owner. The power is provided by Twin 5.7 liter Mercrusier w/ Bravo drives and MMC controls. Along with the deeper hull design this Stardust will have ample power to be a great riverboat as well. The electrical power is a 10 KW generac and 50-amp shore power. Other exterior amenities are, front enclosure and roof mounted davit.

In the market for a great entry-level aluminum houseboat? Do you need more room and stability in a river houseboat? This boat is a must see!
