

1998 Stardust 16 x 85

Ready for summer fun. This one family owned Stardust is a must see. Beautiful décor with white ash interior hardwoods it features a large open salon with a New sectional sofa and 2 club style chairs. The neutral décor is complimented with accent lighted soffit along with upgraded fabric window collars and blinds. The galley is equally spacious with solid surface counter tops including the 6-place island bar. The full electric galley has an array of top end appliance to include: 30" solid surface range, microwave, side-by-side refrig w/ ice & water, dishwasher, and compactor. Also to round off equipment is 2 20-gallon hot water heaters and a stack washer/dryer.

Heating and Cooling are provided by a 3-ton CH/A along with insulation PKG.

Unusual for this year model is the popular side hall floor plan. This plan features a forward queen cuddy and upper queen stateroom. The private master stateroom features a king bed and private bath w/ a neo angle shower. The guest bath also has a neo shower and is accessible from the upper guest stateroom or hallway.

The exterior of this custom Stardust has recently been gel-coated. The large 30ft party-top has also been changed from canvas to aluminum covering. A new front enclosure w/screens and loads of exterior deck furniture round out this Stardust nicely.

The power is provided by twin 5.0 liter Mercrusier and a 12.5 KW Westerbeke gen-set.

This Stardust is located on Center Hill Lake. Call for a private showing of this custom beauty!!
