

## 2003 Horizon Yacht 19 x 86

This beautiful and LOADED! Horizon yacht was originally built for the owner of the company. It boasts Twin 5.0 Liter Mercrusier engines with Bravo II drives. 25 KW gen-set with side power bow and stern thrusters. Topside is a sun lounge Flybridge, Deluxe roof bar. The 40ft Sky Deck not only covers the bar area for your guest but also gives a spectacular view of the lake that most houseboats do not have!

The interior of this beauty features all solid natural maple wood including cabinets and doors. The salon is large and comfortable with leather seating for multiple guest to enjoy the 32" flat panel salon TV and surround sound. The full electric galley is nicely equipped with 25cf refrig, solid surface range, microwave, D/W, solid surface sink, and additional icemaker.

The side hall floor plan is to the starboard side. There are 4 large staterooms and 2 baths. The upper and forward cuddy staterooms are both Kings and the rear cuddy is 2 twins. The private master features a king bed and the master bath includes both an angle shower and whirlpool tub. On the rear deck you find all the options as well to include side aft staircase to roof, 2 rear deck lockers, and the Horizon custom hydraulic swim platform that will house 2 PWC's with no winches needed, water slide, and fuel fill.

To add to the extensive option list is a state of the art MSD system, water maker, and a 4-ton water source heating and cooling system.

New gel-coat and roof carpet was done in June of 2011.

This custom Horizon is a MUST SEE and a steal for the price!

Located on Center Hill Lake at Center Hill Marina.
